

CSS1 letter-spacing / word-spacing Test Page

letter-spacing

normal

The quick brown fox jumps over the lazy dog

1px

The quick brown fox jumps over the lazy dog

4px

The quick brown fox jumps over the lazy dog

-1px (tightened)

The quick brown fox jumps over the lazy dog

word-spacing (for contrast)

normal

The quick brown fox jumps over the lazy dog

10px

The quick brown fox jumps over the lazy dog

25px

The quick brown fox jumps over the lazy dog

Combined (inherited from parent, per CSS1)

div has letter-spacing:2px; word-spacing:8px - nested span inherits both

The quick brown fox **jumps over** the lazy dog
